**Subject:** Permission Request for Room Allocation for Robotics Hackathon

Respected Sir,

Following our previous workshop "Hands to Robotics 2.0," we, the members of the **Robo Mechatronics Association (RMA)**, are planning to organize a **day-long hackathon** for the newly admitted students of the 24th batch. The aim of this hackathon is to encourage participants to apply the skills they learned during the workshop, enhance problem-solving abilities, and promote teamwork in robotics and programming projects.

We kindly request your permission to use the **large classroom on the 3rd floor of the TSC** on **Saturday, 13th September**, for this hackathon. As we are expecting a significant number of participants, this room will accommodate all attendees comfortably and facilitate the smooth conduct of the event. We will ensure that all necessary arrangements and resources are provided, and the room will be maintained in proper condition throughout the event. We would be grateful if you kindly approve our request for the room allocation.

Sincerely,

**G. M. Faysal Taysir**

President,

Robo Mechatronics Association (RMA)

**Subject:** Permission Request for Room Allocation for Robotics Workshop

Respected Sir,

We, the members of the Robo Mechatronics Association (RMA), would like to organize a workshop titled **“Hands to Robotics 2.0”** for the newly admitted students of the 24th batch. The aim of this 4-day workshop is to give the newcomers an opportunity to learn the fundamentals of robotics, including hands-on sessions with components and basic programming.

For the smooth conduction of the workshop, we kindly request your permission to use **three classrooms** from **5:00 PM to 8:00 PM** on the following days:

- Monday (8<sup>th</sup> Sept)
- Tuesday (9<sup>th</sup> Sept)
- Wednesday (10<sup>th</sup> Sept)

We will provide all the required components for the sessions. This initiative will not only help the juniors build technical skills but also motivate them to explore robotics and engineering applications.

We would be grateful if you grant us permission for the room allocation.

Sincerely

**G. M. Faysal Taysir**

**Subject: Permission Request for Rescheduled Room Allocation for Robotics Workshop**

Respected Sir,

We, the members of the Robo Mechatronics Association (RMA), would like to organize a workshop titled **"Hands to Robotics 2.0"** for the newly admitted students of the 24th batch. The aim of this 4-day workshop is to give the newcomers an opportunity to learn the fundamentals of robotics, including hands-on sessions with components and basic programming.

We had previously obtained permission to use the rooms of CSE Building for conducting this workshop, but unfortunately, we could not execute it due to the **Engineer Rights Movement**. Hence, we kindly request your permission to use **four classrooms** on the **rescheduled** date of workshop from 8<sup>th</sup> to 10<sup>th</sup> September from **5:00 PM to 8:00 PM**.

- Monday (8th Sept)
- Tuesday (9th Sept)
- Wednesday (10th Sept)

We will provide all the required components for the sessions. This initiative will not only help the juniors build technical skills but also motivate them to explore robotics and engineering applications.

We would be grateful if you grant us permission for the room allocation.

Sincerely,

**G. M. Faysal Taysir**
